

#	Action	Horizon	Lead County Entity	Partners	Topic Tags	Reason for Removal
2	Expand the minimum setback distance for oil and gas operations from sensitive land uses.	Medium Term	DRP	CARB, DOGGR, DPH, SCAQMD	EQ, LU, PH, RE	Achieved
5	Expand the role for DPH in the initial siting process and the ongoing enforcement of regulations for industrial facilities.	Medium Term	DPH	SCAQMD, CARB	AQ, EQ, PH, RE	Achieved
14	Enact a permanent rent stabilization ordinance for eligible rental units in unincorporated areas.	Short Term	LACDA, DCBA	CEO	EQ, HG, LU, PH	Achieved
15	Adopt an inclusionary housing ordinance that promotes mixed income housing.	Short Term	DRP	LACDA	EQ, HG, LU, PH	Achieved
16	Study and implement best practices to maximize program enrollment and benefits in low-income rate assistance, energy efficiency and conservation, and renewable energy rebate and incentive programs, including proactive strategies to include: 1. Renters; 2. People with disabilities; 3. Undocumented immigrants; 4. People with limited English proficiency, and; 5. Other communities traditionally left out of those programs.	Short-to-Medium Term	Utilities	CEO, CEC, DPSS	CL, EN, EQ, PH, F&F	Integrated with new actions around energy and water efficiency
18	Complete an assessment of the region's drinking water systems to identify resiliency to drought and shocks, as well as risk of water quality issues due to aging infrastructure, deferred maintenance, etc.	Short Term	CEO, LAFCO	PW, Local water agencies, SWRCB, Universities	EQ, PH, RE, WT	Achieved
19	Develop a program to map, monitor, address, and alert the public to drinking water quality issues that originate from on-site and systemic plumbing issues, incorporating reporting from water agencies as well as crowdsourcing.	Short Term	CEO	PW, DPH, State Board	EQ, PH, RE, WT	Included in the County Water Plan
20	Collaborate with partners to expand lead testing of drinking water in schools and daycare facilities.	Short Term	CEO	DPH, School Districts	PH, WT	Achieved
21	Identify and implement policies to establish reporting of secondary maximum contaminant level violations in public drinking water systems.	Short Term	CEO, SWRCB	PW, Local water agencies	EQ, PH, WT	Included in the County Water Plan
26	Develop minimum requirements and best practices for amenities, programming, and accessibility of cooling centers.	Medium Term	DPH	DPR, OEM, ISD, LA County Library, WDACS	EN, EQ, PH, RE	Replaced by more relevant actions from the County Heat Action Plan (CHAP)
29	Develop a comprehensive heat island mitigation strategy and implementation plan that addresses cool pavements and roofs, pavement reduction, and urban greening.	Short Term	DPH	CEO, DPR, DRP, PW	AQ, CL, EN, HG, LU, PH, WT	Replaced by more relevant actions from the County Heat Action Plan (CHAP)
30	Build shade structures at major transit stops, such as those identified in Metro's Active Transportation Strategic Plan, prioritizing communities with high heat vulnerability.	Short Term	DPR, PW	DPH, DRP, Metro and other transit agencies	CL, EQ, PH, RE, TR	Replaced by more relevant actions from the County Heat Action Plan (CHAP)
32	Pilot high performance building standards for new County buildings beyond the current LEED Gold standard, such as Passive House, Zero Net Energy, Net Zero Water, Net Zero Waste, the Living Building Challenge, and the WELL Building Standard.	Short Term	CEO	DHS, ISD, PW, DRP, Utilities	AQ, CL, EN, PH, WR, WT	Integrated with new actions around energy and water efficiency.
37	Support efforts to maximize sustainable yield from local groundwater basins.	Short-to-Medium Term	PW	Local water agencies, Groundwater Sustainability Agencies, SWRCB	LE, RE, WT	Integrated with new actions around groundwater management
40	Reduce barriers and increase accessibility to alternative water sources (rainwater, greywater, stormwater, and recycled water), including incentives for residential and commercial/small business greywater systems and streamlining permitting pathways.	Short Term	PW	DPH, DRP	LE, RE, WT	Integrated into revised action on water resilience and new actions around water conservation

#	Action	Horizon	Lead County Entity	Partners	Topic Tags	Reason for Removal
44	Implement locally tailored, youth-based tree and vegetation planting and maintenance projects in collaboration with community-based organizations to reduce the impacts of heat island in low canopy areas.	Short Term	DPH	CEO, DBH, DPR, DRP, ISD, FIRE, LASD, PW	CL, EQ, LE, PH, RE, WT	Integrated into new action supporting the implementation of the Community Forest Management Plan
45	Strengthen tree protections of native tree species, such as through development of an ordinance, based on findings from the Urban Forest Management Plan (UFMP).	Short Term	DRP	CEO, DBH, DPR, DRP, ISD, FIRE, Sheriff, PW	CL, EQ, LE, PH, RE, WT	Integrated into new action supporting the implementation of the Community Forest Management Plan
51	Create guidance language for joint development opportunities on County-owned land, drawing upon Metro's Joint Development Program Policies and Process and actively seek opportunities for joint development that improve transit access.	Medium Term	CEO	PW, DPR	CL, EQ, HG, LU, TR	Integrated into a new action around the County Land Bank pilot
53	Develop equitable design guidelines that promote high quality living environments for all.	Short Term	DRP	Arts and Culture, LACDA, PW	EQ, HG, LU, PH, RE	Achieved
55	Implement substantive resident and small business protection measures to avoid displacement impacts from community investments, including rent control, just cause eviction, and "right-to-return" ordinances.	Short Term	LACDA	CEO, DCBA, DRP, PW	EW, EQ, HG, LU, PH, RE, TR	Integrated with new actions around tenant protection and anti-displacement measures.
56	Evaluate options to limit new large-scale development in high climate-hazard areas.	Medium Term	DRP	CEO	CL, HG, LU, LE, RE	Integrated into revised and new actions about floodplain and wildfire management
57	Evaluate the feasibility of Transfer of Development Rights (TDR) and Transfer of Floor Area Rights (TFAR) programs.	Short Term	CEO, DRP	-	CL, LU, LE, PH, RE, WT	Achieved
63	Engage in partnerships, such as the Transportation Electrification Partnership, to promote the development of local advanced transportation manufacturing and maintenance.	Short Term	CEO	ISD, LACI, LAEDC, Metro, PW	CL, EW, EN, EQ, PH	Achieved
64	Institute community benefits programs and project labor agreements for all County-managed public infrastructure and ecosystem restoration investments, including local hire programs.	Short Term	CEO	All departments	EW, EN, EQ, LU, LE, WT	Achieved
77	Support regional and state efforts and legislation to establish a monitoring program for freshwater recreation sites, including developing an official definition for a freshwater recreation site, and providing guidelines on consistent monitoring and public notifications.	Medium Term	CEO	DPH, PW, Cities	EQ, LE, PH, WT	Achieved
81	Adopt and implement the Principles of Universal Design for County parks, open space, natural areas, and recreation programs to be usable by all people of different ages and abilities without the need for adaptation or specialized design.	Short Term	DBH, DPR	Arts and Culture	EQ, LE, PH, RE, TR	Achieved
85	Collaborate with the City of Los Angeles, Santa Monica and other members of the Building Decarbonization Coalition to develop building energy and emissions performance standards that put the County on a path towards building decarbonization.	Medium Term	PW	Cities	AQ, CL, EN, HG, LU, PH	Integrated into new Building Performance Standards action
87	Investigate low- or no-cost options to provide community shared solar facilities on County property.	Short Term	CEO, ISD	PW, Utilities	CL, EN, EQ, RE	Removed in light of existing Clean Power Alliance programs as well as regulatory and economic constraints
89	Support development of an equitable investment plan that identifies needed improvements to electricity and natural gas transmission, distribution, and storage systems and supports local renewable energy resources.	Medium Term	CEO	DRP, ISD, PW, Utilities	AQ, CL, EN, EQ, PH, RE, F&F	Integrated into other actions including the Renewable Energy Ordinance Update, Renewable Energy Opportunities Zones, and Battery Back Up Action
90	Develop and implement a strategy to eliminate fossil fuels in County operated co-generation facilities.	Medium Term	ISD	-	AQ, CL, EW, EN, EQ, PH, RE	Achieved
91	Streamline permitting and construction of zero-emission vehicle infrastructure.	Medium Term	PW	DRP	AQ, CL, EW, EN, PH, TR	Achieved

#	Action	Horizon	Lead County Entity	Partners	Topic Tags	Reason for Removal
93	Revise and regularly update the County's fleet policy to require zero-emission vehicles or better whenever available and operationally feasible.	Short Term	ISD	CEO, DPR, PW	AQ, CL, EN, EQ, PH, TR	Achieved/ ongoing
95	Partner with Los Angeles County Fire Department (LACoFD) and equipment manufacturers to pilot a zero emission fire engine.	Short Term	FIRE	LACoFD	AQ, CL, EN, PH, TR	Integrated into action that combines fire engines with other public safety vehicles.
100	Offer free transit passes for students, youth, seniors, disabled, and low-income populations.	Short Term	PW	Metro and other transit agencies	AQ, CL, EQ, PH, RE	Achieved
102	Develop a transportation technology strategy to proactively address how evolving tech-enabled mobility options can support public transit and advance OurCounty goals.	Short Term	PW	CEO, DPH	AQ, CL, EQ, PH, RE, TR	Achieved
106	Develop and implement plans for active transportation that are inclusive of and accessible to all levels of physical ability, built to be comfortable, inviting and safety-enhancing, and work collaboratively with cities to ensure continuity of active transportation networks between jurisdictions.	Medium Term	PW	CEO, Cities, DPH, Sheriff, Metro, DPR	CL, EN, EQ, PH, TR	Integrated into other active transportation actions
108	Adopt and advocate for producer and manufacturer responsibility requirements.	Short Term	CEO, PW	ISD	CL, EW, PH, WR	Integrated into new action supporting the Zero Waste Plan
109	Identify and implement, where appropriate, best practice waste pricing programs to reduce waste generation, including but not limited to differential prices for waste based on amount generated in the residential sector and reforms to tipping rate structures.	Short Term	PW	LACSD	CL, HG, WR	Achieved
114	Develop a Net Zero Water Ordinance for new development.	Short Term	PW	CEO, DRP, LACSD, RR/CC	CL, HG, LU, WT	Integrated into new action supporting the California State Water Control Board Urban Water Use Objectives
124	Establish rigorous recycling programs and requirements in County Departments.	Short Term	PW, ISD	RR/CC	CL, WR	Integrated into new action supporting the Zero Waste Plan
131	Permit the use of certain fruit trees in public rights of way and public open spaces.	Short Term	PW	DPR	EQ, LU, LE, PH	Integrated into new action supporting the implementation of the Community Forest Management
135	Support local farmers and urban agriculture entrepreneurs in adopting regenerative agricultural practices, including those that sequester carbon, such as by offering training, technical assistance, and/or financing and adopting County policies that support regenerative agriculture.	Short Term	DCBA	UC Cooperative Extension	EW, EQ, PH	Partially completed and partially incorporated into other actions related to supporting sustainable agriculture
141	Adopt a policy stating the goal that the ethnic, gender, age, and income level make up of County boards and commissions is reflective of the County's demographics.	Short Term	CEO	-	EQ	Not aligned with current legal requirements.
139	Research options for supporting structured and inclusive participation of residents in all unincorporated areas, such as community-based organizations.	Short Term	Board Executive Office	DRP, DPR	EQ, PH	Replaced by more relevant actions related to inclusive engagement.
146	Provide ongoing sustainability-related education and training for County employees.	Short Term	CEO, DHR	All departments, Metro	AQ, CL, EW, EN, LE, WR, WT	Ongoing
148	Implement arts-based civic engagement strategies to support planning and implementation of OurCounty initiatives.	Medium Term	Arts and Culture	DPH, DPR, DRP, LA County Library, PW	PH, RE	Integrated into new action on community engagement
149	Work with historically impacted communities to produce asset maps that identify community resources, desires, and opportunities around sustainability efforts.	Short Term	Arts and Culture	DPH, DPR, DRP, LA County Library, PW	PH, RE	Integrated into new resilience actions
151	Inventory and document County-owned arts and cultural assets.	Short Term	Arts and Culture	ISD, Ford Theatres, LACMA, La Plaza de Cultura y Artes, The Music Center, LAPhil, NHM	EW, EQ, LU, F&F	Replaced by more relevant actions related to integrating arts and culture into sustainability projects.
152	Obtain a Transformative Climate Communities implementation grant.	Short Term	CEO	LACDA	AQ, CL, EW, EN, EQ, HG, LU, LE, PH, RE, TR, WR, WT, F&F	Replaced with a new funding action

#	Action	Horizon	Lead County Entity	Partners	Topic Tags	Reason for Removal
157	Develop a Master Services Agreement to simplify the contracting process and increase opportunities for County departments to contract with Native American-owned businesses and community-based organizations, particularly those representing historically impacted communities.	Short Term	DPH	All departments	EQ, F&F	Achieved
